Fall 2018: God's Blessing and Care

Welcome to a new year of learning and growing in faith with children and youth! This quarter focuses on stories of God's blessing and care for the leaders of the first church and, centuries earlier, Moses and the Israelites.

What's new for Junior Youth!

Teachers have said that youth hunger for a deeper experience as they explore the Bible story. Reflect and respond questions attempt to answer that call with discussion prompts that invite youth to express their wonderings and questions as they engage the story.

New Explore options debuted during the summer quarter, but many teachers will see them for the first time this fall. Link, Wrestle, Live it, Collaborate, and Peace pursuit provide activities and additional discussion prompts to help youth dig deeper into the text, ask what God is doing in the story, and explore ways to participate in God's ongoing mission in the world.

See order form for all age levels and full product listing.

Fledge
Launching Your Kids without Losing Your Mind
Brenda L. Yoder
\$15.99 USD

Your kids are spreading their wings. Are you ready? In *Fledge*, counselor, educator, and mother Brenda L. Yoder helps Christian parents navigate the many transi-

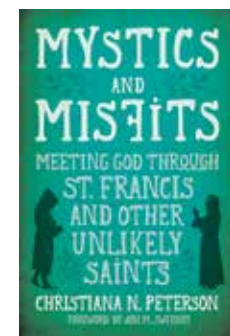

tions of the launching years. How do you parent tweens at home and young adults away from home at the same time? What's a good balance between boundaries and freedom? *Fledge* will help you release your children into the future that God has planned for them.

Worthy
Finding Yourself in a World Expecting Someone Else
Melanie Springer Mock
\$16.99 USD

Who do you think you are? And is it enough? In *Worthy*, Melanie Springer Mock sifts through the expectations that press Christians into cultural molds rather than God's image. By plumbing Scrip-

ture, Mock offers life-giving reminders that we are fearfully and wonderfully made. If you're worn out from worrying that you've missed God's One Big Calling, and if you're tired of trying to fit yourself into some cookie-cutter Christian mold, step away from the expectations and toward God's heart.

Mystics and Misfits
Meeting God through St. Francis and Other Unlikely Saints
Christiana N. Peterson
\$16.99 USD

With untested ideals and a thirst for adventure, Christiana Peterson and her family moved to an intentional Christian farming commu-

nity. It sounded like a simple and faithful way to follow Jesus. In *Mystics and Misfits*, Peterson discovers that community life is never really simple and that she needs resources beyond her own to weather the anxiety and exhaustion of trying to save a troubled farm and a floundering congregation. She turns to Christian mystics like Francis of Assisi and Simone Weil to find sustenance. With a contemplative's spirit and a poet's eye, Peterson leads readers into an encounter with the God of the wild mystics and the weird misfits.

“Amazing! Beyond just the Sunday school curriculum I’ve used in the past, it is even better than just about anything I’ve used in my 19 years as a high school history teacher. The lessons are focused, accessible, and incredibly relevant.”

Parenting

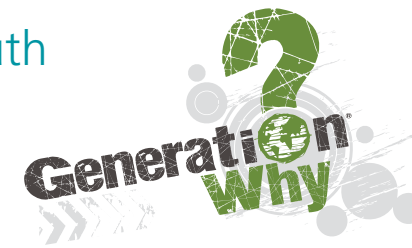

Raising kids is hard enough. But raising kids to heed Jesus' upside-down call away from status and power and toward service and sharing? It can seem almost impossible. So how can parents model countercultural choices? Gather with your faith community to search the Scriptures and discuss how to raise faithful kids in the 21st century.

Prayer

Prayer can easily become an afterthought, a hasty sentence, a laundry list of all the things we want. But what if prayer is a time to find out what God wants for us—and for our world?
